#### **SELECTION PROCEDURE**

# Preparation of common merit list and allotment of candidates:

Admissions will be on the basis of marks obtained by the candidates for Physics and Chemistry in the qualifying examination.

The marks obtained by the candidates in the relevant subjects in the qualifying examination conducted by various boards or authority of other states shall be equated with the marks obtained by the candidates in the same subjects in the qualifying examination conducted by the Director of HSE, Kerala. Marks obtained by the candidates under various streams of examinations such as HSE in Kerala/CBSE/ICSE etc. will be subject to the process of normalisation.

**Explanation:** Under the method of normalisation, the highest mark obtained by students of various boards in each subject shall be equated to the highest mark obtained by the students of the Kerala Higher Secondary Examination in that subject and the relative marks obtained by other students in that subject shall be determined accordingly.

**Illustration:** If the highest marks secured by the student of the Kerala State HSE, in Physics is 100 and the highest mark secured by a student on any other board in the same subject is 90, both the highest marks will be considered to be equal to 100, if a student of the other board secures 60 marks in Physics when the highest mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below.  $100 \ge 66.66\%$ 

Those candidates who have passed the qualifying examination of any state other than Kerala, will be treated at par with those students who have passed the Higher Secondary Exam of this state.

#### **RESERVATION OF SEATS**

Minority institutions will have the freedom to fix appropriate reservations to their community. Details are available in the respective annexure of the respective colleges.

#### FEE CONCESSION

Fee concession will be given subject to a maximum of 50 % of the fees payable by other regular candidates in the respective Colleges, to candidates whose family income is less than Rs. 100000/- per year. This benefit will be given to a maximum of 3 seats in each course and subject to the passing of all continued examinations and continued good conduct. The Management will have the freedom to verify the family income and if found incorrect appropriate action deemed fit will be taken by the management.

## ADMISSION PROCEDURE (FOR B. PHARM, M. PHARM & PHARM. D)

i. Originals of all certificates/documents enclosed with the application should be submitted at the time of admission to the respective colleges.

ii. The candidates shall pay the fees at the time of admission

iii. The responsibility of the association and office of the controller of selection and admissions is limited to the conduct of the Selection and Admission Procedure, publication of the ranks secured by each candidate, preparation of common merit list and allotment of the candidate to the respective Colleges.

iv. Physical fitness certificate, conduct certificate and transfer certificate originals should be submitted at the time of admission to the respective colleges.

## **REFUND / ADJUSTMENT OF FEES**

Fees paid will be refunded as per PCI norms. In the case of SC/ST candidates they should remit their fee to the concerned college at the time of admission. The same will be refunded in case the Govt. pay the fees to the college or assure the payment of the same.

## OTHER INFORMATION

i. No request for change of selection processes will be entertained, nor the controller of selection and admissions will entertain enquiries with regard to date of publication of the result.

ii. Any other item not specifically covered in this prospectus will be decided by the concerned authority and his decision shall be final.

iii. If any candidate discontinues the course after closing admissions as notified by the controller of selection and admissions, the candidate has to pay liquidated damages to the time of full fee of the course.

### Pharm.D (Doctor of Pharmacy) Duration

The duration of the course shall be six academic years (five years of study and one year of internship or residency) full time with each academic year spread over a period of not less than 200 working days. The period of six years duration is divided into two phases – Phase I – consisting of first, second, third, fourth and the fifth academic year. Phase II – consisting of internship or residency training during the sixth year involving posting in specialty units. It is a phase of training wherein a student is exposed to actual pharmacy practice or clinical pharmacy services and acquires skill under supervision so that he or she may become capable of functioning independently.

### Attendance

A candidate is required to put in at least 80% attendance in individual courses considering theory and practical separately. The candidate shall complete the prescribed course satisfactorily to be eligible to appear for the respective examinations.

### **Sessional Exams**

There will be at least three sessional examinations during each academic year and the highest aggregate of any two performances will form the basis of calculating sessional marks.

### Yearly University Examination

The university examinations shall be held at the end of each academic year.
