On 26th September 2024, a special program was conducted to honor the hard work and dedication of pharmacists in celebration of World Pharmacist Day. The event was held to acknowledge the outstanding contributions made by pharmacists from Nirmala Medical Center and various community pharmacies in Kizhakkekara. The program was graced by the presence of distinguished guests, including's. Jessy Jose, Hospital Administrator, Dr. Sr. Therese, Medical Superintendent, Mr. Patrick, HR. These respected individuals shared their thoughts and emphasized the invaluable role pharmacists play in healthcare and their essential contribution to patient well-being. Pharmacists from Nirmala Medical Center and local community pharmacies in Kizhakkekara were honored for their dedicated service. Their professionalism, hard work, and impact on the health and well-being of the community were celebrated. The program was organized by the third-year Pharm.D students in association with the Pharmacy Practice Department. Their efforts ensured the event was informative and engaging, highlighting the crucial role of pharmacists in modern healthcare.
