**ROLE PLAY BY 4TH PHARM D
STUDENTS**

**COMMUNITY AWARENESS
CLASS BY PHARM D
INTERNS**

On March 24, to mark World Tuberculosis Day, the Department of Pharmacy Practice at Nirmala College of Pharmacy organized a comprehensive program at the Government General Hospital, Muvattupuzha. The event aimed at raising awareness about tuberculosis and its prevention in the community. The program was inaugurated by Shelly Mathew, Treatment Superintendent, in the presence of esteemed guests including Dr. Suja Abraham, HOD of the Department of Pharmacy Practice, Dr. Merrin Joseph, and Mrs. Deepa, the TB Unit Head at GH Muvattupuzha. The event featured an interactive role play performed by 4th PharmD students, effectively illustrating the importance of early detection and treatment of tuberculosis. Additionally, internship students conducted a community awareness session, focusing on tuberculosis prevention, symptoms, and treatment protocols. As part of the outreach initiative, leaflets with informative content on tuberculosis were distributed to the attendees, further promoting awareness in the local community. The program was well-received by participants, and it successfully contributed to spreading knowledge about tuberculosis prevention and care.
